Do you have family or friends or know anyone who could benefit from our service?

Then use this voucher to share £50 between the two of you. All we ask is that the person is not already known to us and that they invest, transfer or appoint us as agent for investments worth at least £5,000.

It's easy –

- Give this voucher (or a copy) to your family member or friend.
- Ask them to contact us for brochures and application forms.
- Make sure they send this voucher with their completed application form or Agency Appointment form.

That's it – when the investment has been confirmed we'll send £25 to each of you.

And remember – there's no limit to this offer! You get £50 to share with every one of your family or friends that you introduce.
